

Special Notice

We wanted to call your attention to an important enhancement in our booth space allocation procedure. To eliminate potential confusion, we will finalize assignments and mail you confirmation on August 4.

We have also formalized our practice of offering vendors their preferred space from the preceding year.

As before, your paid application must be received by July 31.

Within a few days of that closing, we will confirm all booth locations.

Vendors participating in the 2007 Fair can guarantee the same space by submitting their paid application by June 30. If they would like a different location, they will have first choice of available spaces, again by submitting their paid application by June 30.

This policy is included in the contract agreement, in the section titled *Payment Terms*, and referenced on the application page
